

# Ultrix

The background of the cover is a dark space scene. In the upper left, a large, white, modular space station or base is partially visible. In the center, a large white spaceship with blue and black accents is shown from a low angle, firing orange energy weapons. To the right, several red, angular fighter ships are flying. In the bottom right, a white cargo container is shown with various tools and equipment on top. The overall aesthetic is retro sci-fi.
